MEGATECH TRADING CORP. (HANDLE WITH CARE)
FLUID HANDLING EQUIPMENT MANUFACTURER

Everything we carry out is guided by our Enduring Mission and Vision

CORPORATE MISSION:

MEGATECH TRADING CORP. commits to constantly do our utmost effort to meet and exceed our customer's needs and expectation of price, service and product selection. It is Megatech's Mission to provide customers with the highest quality products for maximum benefit.

To stay ahead of the competition by continuously innovating new products and services based on the needs of our customers and market demand while being heedful of energy conservation.We continue to develop our business through marketing, research, and technical advances, while recycling and using existing resources.

Support the local community by promoting local business, reclaiming and promoting valuable land for local development projects.

CORPORATE VISION:

To stand out as A leading trading company in the Philippines with passion in providing product and service professionally delighting our customers whom we see as the essence of our operation.

We will help our clients attain high quality products at a minimal cost, to be of assistance in their financial objective, help protect their business and to be a resource to all who required our products and services. Provide our employees with a safe and secure work environment and equip them with the tools to enable them to reach objectives.

Having dominated Taiwan's market for nearly 30 years, Cosmostar concentrates on expanding our international network to meet global demands. New intercontinental branch and mindset suppliers are acquired on annual basis.
